Dear Families,

I hope that the New Year is finding you each healthy and happy. The Commonwealth of Massachusetts has appropriated funding for **“transition services for individuals with disabilities that reached age 22 between March 10, 2020 and September 1, 2023 and were entitled to special education services up to age 22.”**

Please see the information in this [link](#) and/or the flier that is also being posted.

If you have any questions or need further information please do not hesitate to contact me.

Sincerely,

Tara Bozek
