Add another child to this family ←

To add a child after your initial registration:

At any time, you can go back to parent registration (www.myf2b.com/register (<https://www.myf2b.com/register>)) and add additional children to your family.

On the Welcome screen, click on the "Register in English."

First, you will set up the child's account.

After you have set up the child's account, you will need to select "I already have a parent account" and enter your email and password.

Let's set up your parent account.
