ENGLISH LANGUAGE SERVICES DECLINED

Although I understand that my child,
_____ has been designated as having
Limited English Proficiency and is entitled to direct English Language Learner (ELL)
classes and Sheltered English Instruction (SEI), I decline my right to enroll him/her in a
credit bearing English Language Learner class and the right for my child to receive
English Language services.

I also understand that my child has a civil right to equal access to the school curriculum.
Should my child need additional language support, my child's teacher is legally required
to provide that support.
