

Lura A. White School Library
Books and Beyond
2016-2017

~~Books and Beyond~~ ~~Monday, October 3, 2016~~ and runs through ~~Wednesday, May 31, 2017~~. The purpose of this program is to assist students in developing a long lasting love of reading.

~~Books and Beyond~~ work?

Each student is encouraged to read enough books/pages to complete eight zones. Each time a student reaches a zone they will receive a small incentive prize. When students reach all eight zones they will receive a medal. In June, at our ~~Books and Beyond~~ ceremony, we will present students that have reached zone 8 with their medal and we will announce ~~Books and Beyond~~ gift card winners from each grade.

Keeping Track:

Grade K-2: Students will need to read 15 books per zone. ~~Books and Beyond~~ the sheet designated for your grade to keep track, one sheet represents a zone. If a book is over 50 pages than each line on the sheet is worth 25 pages. Students may read (or have read to them) any type of book they choose. Sheets need to be signed by a grown-up and returned to the classroom teacher or Library.

Grade 3-5: Students in these grades will need to read (or have read to them) 300 pages per zone. ~~Books and Beyond~~ sheet designated for your grade to keep track. On each line list the book title and total pages. When you have filled out the sheet please have a grown-up sign it and return it to the classroom teacher or Library.

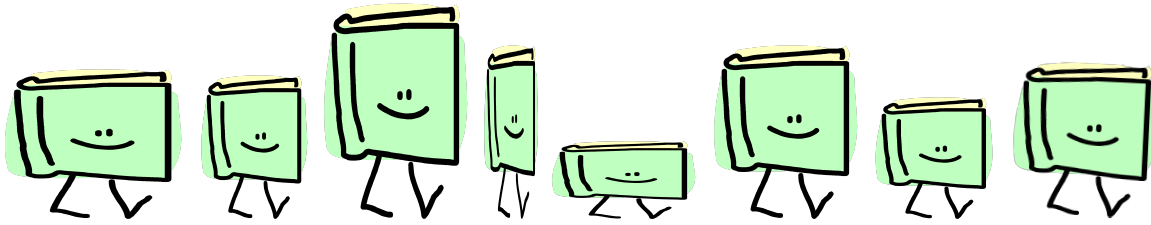

Parents/guardians and community members are welcome to participate in this program and receive a medal. All you have to do is submit your book titles and how many pages, 300 pages for each zone. You are welcome to email yours or your child's list of books read, to Mrs. Dill at ldill@asrsd.org.

**Please record the books that you read starting on October 3rd. The books you read before October 3rd are not part of the program.

If you have any questions please contact Lauren Dill at ldill@asrsd.org.

Thank you for supporting your children!

Happy Reading!

Books and Beyond Grades K, 1, & 2
