Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

If the Employee so chooses, a representative of the Union may be present at the adjustment of the complaint. 5. If a question exists as to whether an Employee is entitled to compensation under the Workers' Compensation Act, it is agreed that pending resolution of said question, the Employee may draw sick leave benefits. The Employee shall reimburse the Committee for any such grant of sick leave if s/he receives Workers' Compensation benefits for the same period. The Employee's sick leave accumulation shall be re-credited for any such reimbursement.

Article XX - Tax-Sheltered Annuities

1. In order to provide for non-forfeitable tax sheltered annuity payable upon retirement or termination of employment, an Employee may contract with the Committee pursuant to Section 37B of Chapter 71 of the General Laws of Massachusetts for purchase of such annuity as part of his/her employment compensation.
2. Such contract shall specify the premiums to be paid toward the annuity and the benefits payable there under.

Article XXI - Personnel Records

1. A copy of any written statement or report which is of a critical or unsatisfactory nature concerning an Employee, made by a member of management or by a designated supervisor, which is to be retained by the Employer in the Employee's personnel file, shall be shown to the Employee who shall certify in writing that s/he has read it. If the Employee refuses to sign such a statement, the supervisor or other person in whose presence the Employee read the statement or report shall certify that the statement or report was read by the Employee and that the Employee refused the statement acknowledging this fact. If the Employee is not available (due to illness or other absence) at the time the statement or report is prepared, the member of management or supervisor shall file with the statement or report the reason for not showing the statement or report to the Employee at the time of filing, but the Employee shall be given the opportunity to read the report as soon as s/he is available thereafter.
2. The Employee will have the right to submit a written answer to such material and his/her answer shall be reviewed by the Superintendent and attached to the file copy.
3. The contents of the personnel files of all employees previously employed by either Ayer Public Schools or Shirley School District shall officially be part of their personnel files with the Regional School District.

Article XXII - Separability and Savings

If any Article or Section of this Agreement, or any riders thereto, should be held invalid by operation of law, or by any other tribunal of competent jurisdiction, or if the compliance with, or enforcement of, any Article or Section should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement and if any rider thereto, or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid, or as to which compliance with, or enforcement of, has been restrained shall not be affected thereby.

Article XXIII - Duration

1. The signing of this Contract by the authorized representatives of the Union and the Employer shall constitute the effective date of this Contract for all items except wages, which shall be effective on July 1, 2017.
2. This Contract shall remain in full force and effect from its effective date through June 30, 2020, and from year to year thereafter unless either party notifies the other party prior to January 1st of the final year thereafter, of its desire to terminate or modify this Contract. Such notification shall be by registered United States mail to the responsible signatories of this Contract.

Article XXIV - Hours of Work and Overtime

1. Generally, the expected workday for full-time paraprofessionals shall be 6.5 hours per day, with a five-day workweek. The Employer reserves the right to reduce or increase such hours upon ten-days' notice to the employees affected when such notice is practicable.
2. The workday and workweek for paraprofessionals working from 20 to less than 32.5 hours per week shall be those established by the Building Administrator or Superintendent.
3. The work year for paraprofessionals shall be 182 days, which shall coincide with the student academic year. Paraprofessionals shall be required by the District to work their regular hours on any half days designated as "Professional Development" by the District. Furthermore, the District reserves the right to re-assign some of the hours available on early-release days to be worked at another time (such as a full professional-development day), consistent with the educational goals of the District. On those early-release days when Paraprofessionals are not required to work their full schedule (such as conference and exam days), they may, at their discretion and with one week's advance notice provided to the building principal, choose to work (and be paid for) their full schedule, performing duties assigned by the principal.
4. Paraprofessionals will be paid for their regular hours on the day before Thanksgiving and on the last day of the school year, even if school is dismissed early.
5. Overtime shall be paid when an Employee works in excess of forty hours in a workweek. For the purposes of determining overtime hours, time paid for vacation, personal, holiday, bereavement, and jury leave shall be treated as hours worked.
6. In the event of inclement weather, or other unforeseen circumstances, resulting in the delay of the opening of school, paraprofessionals are expected to report to work as soon as they can safely do so and as close to their normal starting time as possible. In such case, the paraprofessional will be compensated for their normal work hours for that day. In the event that school is closed early for inclement weather, or other unforeseen circumstance, and paraprofessionals are released from work early, they will be compensated for their normal work hours for that day.

2. Each Employee shall receive a written copy of his/her evaluation no later than ten (10) days after the evaluation is completed. The Employee may submit a written statement, which will be attached to his/her evaluation, within ten (10) days after s/he receives a copy of the evaluation.

3. The Superintendent's Office shall receive a copy of all evaluations and shall retain such evaluations, together with any recommendations made on the basis of any such evaluation, and any evidence or materials submitted in support of such evaluation, in the respective personnel file of each Employee.

Article XXVI - Professional Development

1. Paraprofessionals shall be allowed to participate in professional-development activities provided by the District, space permitting. 2. It is the intent of the District to provide in-service professional-development opportunities that will improve the knowledge and skills of Paraprofessionals to the benefit of the students whom they support.
3. When a Paraprofessional is required to receive specialized child-restraint training as a condition of his/her position, the District will pay for the training, and the Paraprofessional will receive a \$400 stipend upon successful completion of the training.

Appendix B – Memorandum of Understanding

Memorandum of Understanding

The District recognizes that the school calendar can sometimes make it difficult for employees to meet their obligations for the deduction of medical and other benefit premiums due to variations in the number of hours worked from one payroll to the next. Prior to the end of each school year, the Superintendent and appropriate Business Office staff will meet jointly with the Chairpersons of the Paraprofessional, Clerical, and Food Service bargaining units to review the ensuing school year's calendar and payroll schedule and to determine the appropriate number and dates of the payrolls from which medical and other benefit deductions will be withheld. The District agrees to furnish to the unit Chairpersons the ensuing school year calendar and any financial documents (e.g., premiums) that would pertain to facilitating this meeting. Every reasonable effort will be made to have these bargaining units on the same schedule of payroll deductions or, at the very least, to minimize the schedule variation among the units. Decisions reached during this process will be in effect for all members of the bargaining unit for the ensuing school year. It is further acknowledged that highly unusual circumstances arising during a particular school year may cause reconsideration of the previously approved schedule of payroll deductions. In the event that the parties are unable to reach agreement, the District shall make the final decision regarding the schedule of payroll deductions for the year.
