

How do I log in with a Super Secret Code?

Modified on: Thu, 15 Mar, 2018 at 7:12 PM

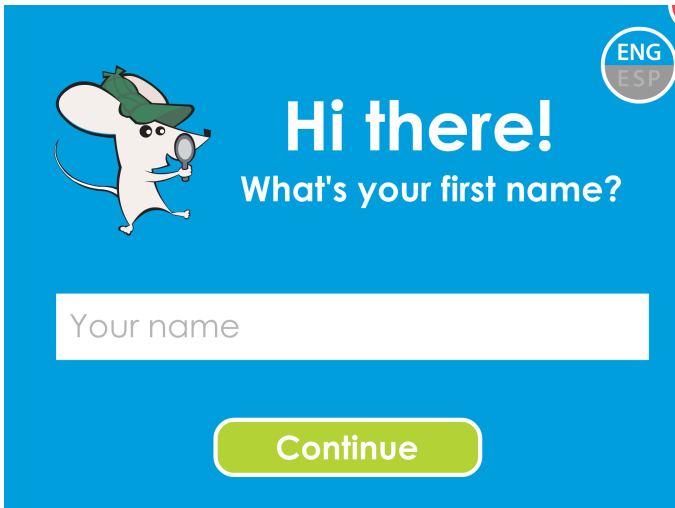

To log in with your child's Super Secret Code, be sure to choose "Use my Super Secret Code" on the login screen.

After that, you can toggle between using letter labels or picture labels by using the toggle button in the bottom right corner.

If this is the first time you are logging into Footsteps2Brilliance on this device, you may also need to enter your child's first name.
